

July 2020

Dear Homewood Family,

Welcome to the first edition of the new Foundation Newsletter. While I wish this was going out to you at a better time for all of us, I am pleased to share with you the many ways in which the Foundation has experienced the blessings of our generous community through this period.

In March, Homewood Trustee and Frederick Board member Rob Tuggle asked what he and his fellow Board members could do to help Homewood co-workers as they face the challenge of responding to COVID-19. His inquiry led to the development of the Co-worker Appreciation Fund. To date, we have received more than 250 contributions totaling nearly \$60,000, all of which has been used to provide displays of gratitude to co-workers. From banners hanging at the community entrances to meals they could take home to share with their families, your generosity has helped brighten the days of the people who make Homewood the special organization it is.

The support has certainly gone beyond financial contributions, with volunteers making cloth masks and wooden signs, baking treats, creating cards, and sending their love in countless ways to residents and co-workers across the system. It has made a real difference.

We will be dedicating the next issue of Fireside to all of the amazing ways the Homewood family has come together during our response to COVID-19.

While the generosity shown in response to COVID-19 has been inspiring, we have also seen tremendous support for Benevolent Care during this time, with our Mother's Day drive setting new records for those who have outlived their resources. A list of memorial and honorary gifts made for Mother's Day and other occasions is enclosed.

As I'm sure you'd agree, what I have missed most during this period is getting to spend time in person with the wonderful people who live in and support our communities. Talking over the phone just isn't the same as sitting in your living room. It has also meant not being able to hold our Donor Appreciation Luncheons. I know none of you need to be thanked for what you do, but we are looking forward to the chance to celebrate you.

We recently made the difficult decision to cancel all of our golf tournaments for 2020. Even as golf courses have reopened, there are still many restrictions on the number of players allowed on the course, and it is very hard to know at what point we would be able to hold events with several hundred people gathered in close quarters.

In place of those events, we will be holding a virtual event called "Homewood Heroes Day." You can find more details on this on the back of the newsletter.

Enclosed you will find some highlights from 2019 and information on how to access our full Annual Report online. We look forward to hearing your ideas on how we can best connect you with the work we do in future Foundation Newsletters.

Be well, and thank you for your support. You are making life at Homewood better for us all.

Gratefully,

A handwritten signature in black ink that reads "Pat O'Toole". The signature is written in a cursive, slightly slanted style.

Pat O'Toole, CFRE
Vice President of Fund Development

2019 BENEVOLENT CARE & UNREIMBURSED SERVICES

George Pearson Society

In 1929, George Pearson passed away leaving a \$100,000 bequest to create a "home for widows and spinsters of the church." This act of generosity birthed the Homewood organization, and we honor our wonderful benefactor with the naming of our recognition society. The George Pearson Society was established to acknowledge those who have remembered Homewood in their estate plans and/or who have gifted \$10,000 or more to Homewood over their lifetime. Thank you to each and every member of this distinguished donor family!

Mother's Day is very special at Homewood. This holiday is a fitting time to honor our own mothers or other important women in our lives while supporting Homewood's mission. The following Mother's Day gifts have been given in 2020 in memory and in honor of those important people in our lives. Thank you to everyone who contributed to this year's appeal.
